

## **The California Wellness Foundation Conference on Increasing Diversity in the Health Professions**

June 9-10, 2008  
Grand Hyatt San Francisco  
San Francisco, California

This conference will provide opportunities to network with colleagues from throughout California, address the critical issues in the forefront of this field and celebrate the accomplishments of the recipients of the 2008 Champions of Health Professions Diversity Award. We hope you will join us for this important event!

### **FEATURING**
